SCOPE

This policy applies to:

1. All students at Underbool Primary School and,
2. Students' personal mobile phones and other personal mobile devices

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Underbool Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Underbool Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's Mobile Phones — Student Use Policy issued by the Minister for Education, personal mobile phones must not be used at Underbool Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Underbool Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Underbool Primary School does not have accident insurance for accidental property damage or theft. Students and their

parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Underbool Primary School's Personal Property Policy AND/OR the Department's Claims for Property Damage and Medical Expenses policy

Where students bring a mobile phone to school, Underbool Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Underbool Primary School, students must store their phones at the office.
